Summer 2017

Dear 2017 BPA World Series Parents and Athletes,

Cox Studio is a professional photography studio located in Warsaw, Indiana. Cox Studio has worked with school systems and athletic departments throughout Kosciusko County for over 70 years providing photography services to the schools and the student athletes. You are welcome to visit our website @ www.coxstudio.com to review our work.

On Tuesday, July 18, 2017, we will be photographing the BPA World Series baseball teams on a pre-pay basis. This represents a service that the CCAC has allowed Cox Studio to provide to each athlete and their families.

A copy of our order form for 8x10 team photos is attached. The photographs will be titled. This order form will also be available at registration that morning. You may download the form and fill it out for your athlete and bring it on picture day. Please enclose the exact amount of money as change will not be available. When filling out the order form, please make sure all information is complete; especially TEAM NAME and AGE GROUP. Getting your order correct depends on accurate information.

By way of this communication, our hope is that parents will have the opportunity to participate in this service. The finished photos will be returned on Thursday, July 20 at the CCAC.

Cox Studio prides itself on our professionalism and commitment to give you and your athlete the best work possible. If you have any questions, please call our Studio. We will be happy to assist you.

Sincerely,
Cindy Hampton
Cox Studio
