

CCAC Lost and Found Policy

The CCAC has established a lost and found location within the complex. All recovered items will be placed immediately at the concession stands, located on the east or west ends of the park. At the end of the day, all recovered items will then be delivered to the park office.

If a recovered item is identifiable by name, phone number, or any other markings, that person will be contacted immediately. If the item is not identifiable by any markings, the item will be held for 30 days in the park office, or larger storage area deemed safe and suitable by the Park Director.

At the end of that 30 days, items may be destroyed or become the property of the CCAC, to do as they see fit for said items.

In order to claim lost item, the claiming party must be able to identify each item by brand, color, markings, etc.

The CCAC is not responsible for any lost or stolen items.
